

An Open Letter to Overburdened Housewives

Did you ever look at the compact kitchen of a dining car or the cook's galley and without wonder and envy? Doesn't the thought of standing in a spot and reaching every necessity for preparing a meal seem to you infinitely easier than traveling back and forth from the table to the pantry, the cupboard, the store room?

Did you ever think how many thousands of steps are needlessly taken, and how much time is wasted by a lack of concentration of kitchen necessities?

The McDougall Idea offers a remedy for this waste of time and effort. Clever architects and artists have been set to work. Domestic Science experts have been consulted. The result of their combined efforts is shown in the McDougall Kitchen Cabinet, the greatest labor-saving device ever planned for the housewife.

McDOUGALL Kitchen Cabinets

The McDougall Kitchen Cabinet was selected for use in the "Model Kitchen" at the St. Louis Exposition

You can make yourself a "model kitchen" by having one of these cabinets, and can save yourself much hard work. There will be a special exhibit of McDougall Kitchen Cabinets at our store this week and will be glad to tell you about their many good points. Get a copy of "Kitchen Economy" by Mrs. S. T. Rorer. It is given free to each lady who visits our store this week.

PHONE POSTAL CARD

The latest novelty on the market, which bids fair to displace the picture post-card, is the phone postal card, which is the latest substitute for an original idea that it cannot fail to make a big hit.

The phone postal is nothing more than a blank phonograph record pasted on the card, which is first placed on the drum of a phonograph and talked or sung into by the sender. The card is then mailed to a friend, who can reproduce the record on his or her machine, and thus hear the voice of the sender, though the latter may be thousands of miles distant.

New Car Arrives

No. 35, sister car of No. 36, has arrived from Fairmont and will be running in a few days on the Wilsonburg extension of the street car system. It is of the large style and will accommodate a lot of passengers.

Torture of a Preacher.

The story of the torture of Rev. O. D. Moore, pastor of the Baptist church, of Harpersville, N. Y., will interest you. He says: "I suffered agonies, because of a persistent cough, resulting from the grip. I had to sleep sitting up in bed. I tried many remedies, without relief until I took Dr. King's New Discovery for Consumption, Coughs and Colds, which entirely cured my cough, and saved me from consumption." A grand cure for diseased conditions of throat and lungs. At Stone & Mercer and F. G. Bland's druggists; price, 50c and \$1; guaranteed. Trial bottle free.

LaGrippe and Pneumonia.

Pneumonia often follows la grippe, but never follows the use of Foley's Honey and Tar. It cures la grippe coughs and prevents pneumonia and consumption. Ask for Foley's Honey and Tar and refuse any substitute offered. Mr. G. Vacher, of 157 Osgood street, Chicago, writes: "My wife had a severe case of la grippe three years ago, and it left her with a terrible cough. She tried a bottle of Foley's Honey and Tar and it gave immediate relief. A 50 cent bottle cured her cough entirely." Refuse substitutes. Sold by Stone & Mercer, Sturm & Wilson and F. H. Burke.

Give Your Stomach Rest.

Nothing will cure indigestion that doesn't digest the food, itself and give the stomach rest. You can't expect that a weak stomach will regain its strength and get well when it is compelled to do the full work that a sound stomach should do. You wouldn't expect a sick horse to get well when it is compelled to do a full day's work every day of the week. Korol Dyspepsia Cure is a perfect digestant and digests the food regardless of the condition of your stomach. Relieves indigestion, belching, sour stomach and all stomach disorders. Sold by Stone & Mercer.

In Praise of Chamberlain's Cough Remedy.

There is no other medicine manufactured that has received so much praise and so many expressions of gratitude as Chamberlain's Cough Remedy. It is effective, and prompt relief follows its use. Grateful parents everywhere do not hesitate to testify to its merits for the benefit of others. It is a certain cure for croup and will prevent the attack of disease. It is especially adapted to children as it is pleasant to take and contains nothing injurious. Mr. E. A. Humphreys, a well known resident and clerk in the store of Mr. E. Lock, of Alice, Cape Colony, South Africa, says: "I have used Chamberlain's Cough Remedy to ward off croup and colds in my family. I found it to be very satisfactory and it gives me pleasure to & Mercer.

Of Interest to Sick People. We have sympathy for sick people and want to treat them seriously, as there is no humor in pain and affliction. It is impossible for a patient to impress on others the suffering they endure. To get well or be relieved is their one thought, a remedy that will do this has their lasting gratitude. We have thousands of letters from people who had dyspepsia, sick headache and bilious attacks, saying how thankful they were for having used Dr. Gunn's Improved Liver Pills. They cure disease by removing the cause. One for a dose. Sold by druggists, 25c per box.

Watch the Kidney secretions. See that they have the amber hue of health.

The discharges not excessive or infrequent.

Contain no "brick dust" like sediment.

Doan's Kidney Pills will do this for you.

They watch the kidneys and cure them when they are sick.

W. B. Gandy, bookkeeper in Central Meat Market, residence 520 W. Main street, says: "The results received from the use of Doan's Kidney Pills compels me to place great faith in them. At intervals for years I have been subject to kidney complaint, indicated by trouble with the kidney secretions, they being sometimes irregular and at other times distressing. Doan's Kidney Pills attracted my attention while reading newspapers and from the statements of others who had made use of the remedy, I reasoned that they might help. Procuring them at Wells & Haymaker's drug store, I took a box. The results received warranted me in continuing the treatment, and I bought a second box. The use of five boxes in all thoroughly convinced me that Doan's Kidney Pills can be depended upon."
